FIXED PRICE CATALOG 63

Welcome to Fixed-Price catalog #63. This catalog features the first group of Civil War storecards from the Fred Ball collection, as well as a complete update of all other areas. In addition to items offered for sale here, look for more items for sale on eBay under our user ID: cdgale. This catalog is searchable (see below). Also, a PDF version is available on our website for those already familiar with the PDF reader search function.

TERMS OF SALE

1. Please send payment with your order (check or money order), or use Pay-Pal.
2. We now take "Pay-Pal," as well as checks and money orders for payments (USD). There is no charge for using Pay-Pal for orders of \$100.00 or more. For orders of \$99.99 or less, if you are using Pay-Pal, please add a 3% surcharge for this privilege. All Pay-Pal charges are non-refundable, so be sure you pay Pay-Pal only for items with confirmed availability. To confirm availability, just e-mail or fax us, and wait for our prompt reply.
3. For orders, there is a flat \$5.00 charge for shipping to the U.S., Canada, and Mexico. We will select an appropriate shipping method. However, if you wish to upgrade shipping to express or priority mail, we will try to meet your needs at the actual additional cost. Shipping elsewhere is a flat rate of \$14.00.
4. Florida residents must add 6-8% sales tax, depending on the county to which we ship.
5. There is a fifteen-day return privilege. All items are guaranteed authentic as described.
6. A layaway plan is available. Send 25% deposit with your order, and pay the balance in three equal monthly installments. For orders over \$1,000, additional options and extensions are available.

HOW TO SEARCH THIS CATALOG ON YOUR PC

If you have MS-Word as your word processor, open the FP63.doc file; then in EDIT, select FIND, which will cause a box to pop up. Put your search word(s) (for example, a state code, the name of a merchant, a year, or a group of people) in the box. Use "FIND NEXT" to scan the catalog for each time the search word appears. When all examples of the search word have been found, close the FIND function. (If you are looking for Ohio tokens and enter OH, you will find all Ohio items, but also any word with the letters Oh, e.g., John. This is not a problem, since you can quickly dismiss unwanted items.) Give it a try!
